

EAT.

The Food Location.

If you can read this, you must have good sight. Can you predict our futures?

Appetizers.

Cheese Sticks

\$9.11

Fermented loaves of cow vampirism caked and boiled with the vitality of plants. A thoroughly amoral dish.

Onion Rings

\$9.11

Onion plant, cut short by greedy farmers. Burned in the blood of plant youth. caked in the juices and dusts of futures cut short.

Grill Roasted Limes

requires lime

Surrealists only. Comes with a molten clock.

Nachos

\$9.11

The peak of globalization. The major push-er of globalism. The true force pulling the strings. The one, the only. The All.

Sides.

French Fries

\$1.11

Sliced without mercy, sculpted into obscene figures. Boiled in the blood of it's brethren. For all of the sacrifice required, it's worth it.

B.E.A.N.

\$1.11

Like bean? you do. obtain bean? Yes. Consume bean? Never. boil in human blood? maybe.

Loaded baked Potato

\$1.11

Child of Nachos. One third of the holy trinity of globalization. Represents manufactured surplus.

Pizza Bagels

\$1.11

Directly from store shelves. You probably shouldn't get these. One guy said his were covered in hair, so, uh, don't.

Bread

\$1.11

Crushed: the vitality of the future seeds of youth. Burnt: A dry and unforgi- *hey, so, you're fired.* what? *Leave, Now. Shoo.*

RAGE

don't ask

WHAT? Leave before we call securi-ty. you'll like it much better that way. WHAT?! FOOL. YOU SHALL FALL TO MY - SECURITY! THIS WILL NO STAND...

Entrées.

Pizza

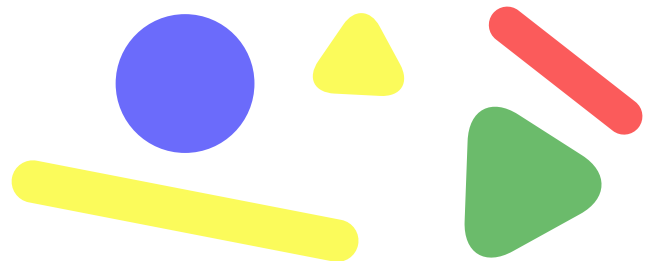

\$9.11

Our - **I HAVE RETURNED.** Who are you- **SILENCE. I HAVE COME IN THE NAME OF THE HOLY TRINITY OF GLOBALIZATION.** Security!

French Onion Soup

\$9.11

Cows were mined for the oils required to create this hot juice. It was necessary. do not be alarmed. Everything will be fine.

Desserts.

Jell-O Salad

\$9.11

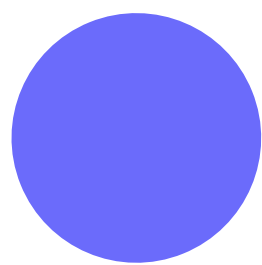

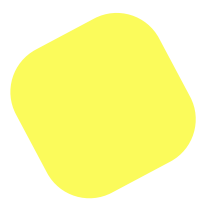

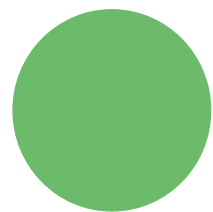

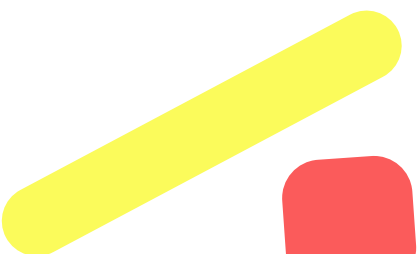

An honestly horrible freak of nature. My ways of globalism must be abandoned, for this dish is so horrific that all hope must be abandoned. The human experiment has ended in disaster with the creation of this dish.

Lorem Ipsum

\$9.11

Often known as "Filler Text", lorem Ipsum is actually a dessert. The sweet cream is in shorter and shorter supply every passing year, as its recipe was known only to the romans.

(This is the back.)

Just flip it over.
